Our team has no concerns regarding the name change itself. as far as we can tell it only affects the residential addresses. We would however like input as to the new name as "Eastway" doesn't appeal to us. It will be added to our book store so we will be at the intersection of 87th st &. We told her we were fine as outlined above.

Hugs,
Miki

Hi Don and Miki,

We received a request from a resident to pursue street renaming for Sepulveda Eastway.

Do you all have any concerns about this? I am going to share the application and process with him (it is lengthy) however want to put you in touch if so.

Thanks
